survivalstockup.com

KNOW WHO TO CONTACT, WHERE TO MEET, AND HOW TO LEAVE.

Household / home address

Completed on / next review date

01 PEOPLE & COMMUNICATION

Household member	Mobile / other phone	School / workplace & phone

Out-of-area contact / phone

Backup local contact / phone

Check-in method / agreed check-in times

Local alerts: agency / app / radio station

If calls fail, try a short text: name, location, condition and next step. If networks fail, use the meeting plan below when safe. For immediate danger in the U.S., call 911.

02 THREE MEETING PLACES

Outside the home: exact safe spot for a home evacuation

Outside the neighborhood: location / address / contact phone

Outside the affected area: destination / address / contact phone

Agree on accessible locations and confirm hosts can help. Follow official instructions; do not travel into danger to reach a meeting place.

03 EVACUATE OR SHELTER

Primary evacuation route / transport / driver

Alternate route / backup transport / driver

Shelter-in-place location for each local hazard

Paper map / home escape sketch location

Roles & Ready-to-Go Details

Keep this page with your plan. Carry the separate wallet cards.

ASSIGN A PRIMARY PERSON AND A BACKUP. PRACTICE TOGETHER.

04 HOUSEHOLD RESPONSIBILITIES

Task	Primary person	Backup person
Children / anyone needing assistance		
Pets / carriers / supplies		
Go-bags / medicines / documents		
Communications / head count		

05 CARE, SCHOOL & PET ARRANGEMENTS

School / daycare: contact and reunification location

Authorized pickup person / backup / phone

Medicines / allergies / care-plan storage location

Clinician / pharmacy / phone

Mobility, communication or powered-equipment needs

Support person / transport / backup power plan

Pets: carrier / food / medicine / ID location

Pet-friendly destination / caregiver / vet phone

06 SUPPLIES & HOME DETAILS

Go-bags / first-aid kit / water locations

Important documents / insurer contact location

Water / gas / electric shutoff locations

Utility / landlord emergency phone

Only shut off utilities when needed or instructed and safe to do so. Have a qualified professional restore gas service. Store copies in a water-resistant document pouch; keep a charged power bank with phone cables.

07 SHARE, PRACTICE & REVIEW

- [ ] Share the plan; fill in wallet cards; confirm contacts and pickup arrangements.
- [ ] Practice routes and check-ins. Review after changes and at least every six months.
